

PRESS RELEASE

Charlie's Little Angels gets a makeover!

Charlie's Little Angels is now proud to introduce its new logo, website and services. Charlie's Little

Angels is the first service of its kind tailored to accommodate all the modern woman's maternity needs. The company can also deal with any individual staff maternity issues that arise within any business or organisation.

Charlie's Little Angels pioneers the concept of the qualified Maternity Consultant, playing a key caring role for not only expectant mothers and fathers-to-be but also for employers.

Through its broad range of services, Charlie's Little Angels aim is to promote good health and peace of mind through a comprehensive and caring approach to maternity care.

Charlie's Little Angels was created to compliment the gap between the service provided by the NHS and the needs of the working woman.

We offer three services: Maternity Wellness, Maternity Management and Maternity Lifestyle.

Maternity Wellness is aimed at the individual and will fulfill all your expectations and needs from pre-conception to breastfeeding. You will have your own personal Maternity Consultant take care of you and your family as often as you require the service.

Maternity Management: A service created uniquely to facilitate exchange between employer and employee when dealing with any maternity issues, the perfect solution for a small or large business. We offer additional advice on all Health and Safety requirements and employment laws relating to maternity and paternity.

Maternity Lifestyle: An innovative solution for Health and Social Clubs to help look after their female clientele, by supporting mothers-to-be towards a better and healthier Lifestyle.
